Re: Vacation Account/Chicagoland Electrical Industry Credit Union

Dear Members :

As you may know, the Chicagoland Electrical Industry Credit Union ("CEICU") is no longer able to accept Vacation Account Contributions made on your behalf by your employer. As of December 31, 2011, the CEICU will cease accepting Vacation Account Contributions and a check for the amount currently held in your CEICU account will be issued to you.

IBEW, Local 134 has arranged for Chase Bank to begin receiving your Vacation Account Contributions. However, before they can do so, it will be necessary for you to establish an account with Chase Bank. In order to facilitate this process, IBEW Local 134 has arranged for account representatives from Chase Bank to be present at the Union Hall from **2:00 pm to 7:00 pm on Thursday, December 22, 2011, Wednesday, December 28, 2011 and Thursday, December 29, 2011** to assist you in establishing your new Vacation Fund Account. A valid driver's license or other state issued photo identification is necessary to establish your Vacation Account with Chase Bank.

If you have any questions regarding the above, please contact Local 134 Business Representative, Kevin Connolly, at 312-474-4161.
